¹Annual Percentage Rate (APR) as of 1/1/2012. Monthly payments per \$1000 borrowed would depend on number of months chosen for car loan, for example: 48 months at \$22.13. Use our loan calculators on our website to calculate yours. Rate shown is for members with an "A" credit score of 720 or above and an "active" checking account. ("Active" checking is 6 transactions or more per month and direct deposit.) If "active" checking account requirements are not met, discount will not apply. Refinancing for new loans only.
