

WCCU Teacher Grant Application Guidelines

School Year 2025-2026 • Due: October 31, 2025

Eligibility:

Teachers, Administrators, and Staff from the following school districts are eligible to apply for a WCCU Teacher Grant from Westerly Community Credit Union (WCCU): **Chariho, Coventry, Exeter-West Greenwich, Narragansett, North Stonington, South Kingstown, Stonington, and Westerly.**

Proposals should augment the educational experience for students in your school district and should not request money to replace existing public funding for the school. Preference will be given to proposals that request funding for direct costs of new initiatives. Volunteerism and matching funds, either monetary or in-kind, are encouraged.

Parameters:

- **Only (1) grant application allowed per person per school year.**
- **Only (1) submission allowed per grant request per school project- multiple submissions of the same application will be denied.**
- **WCCU requires the Superintendent's and Principal's signature for all grants requesting funds.**
- WCCU strives to support projects in their initial stages. Grants are provided on a one-year basis. Under exceptional circumstances, we will consider funding the same projects for future years at a reduced level of support.
- WCCU will NOT fund state or district mandated projects. This includes senior projects.
- WCCU supports projects that involve transportation, but we do NOT directly fund transportation.
- WCCU does NOT support stipends for faculty members.
- Generally, WCCU does NOT fund travel expenses or stipends for outside vendors, but may consider unique circumstances where funding provides a larger benefit.
- WCCU will NOT fund foundations.

Judging Criteria:

All Applications will be judged on the following criteria:

- Educational Focus
- Creativity/Innovation
- Goal Clarity/Attainability
- Promotion of Skills/Excellence
- Community Connection
