PAYMENT PROTECTION PLAN

At this time, you may enroll in the optional Payment Protection Plan. This program provides Life, Disability and Involuntary Unemployment protection to the Primary Insured Cardholder (the Primary Applicant). The Life Insurance will pay your unpaid balance at time of loss up to \$10,000 if you or your insured Co-Cardholder should die. The Disability and Involuntary Unemployment insurance will make a monthly benefit payment to your account if you become totally disabled or become involuntarily unemployed for more than 30 consecutive days. The cost for this protection is 59¢ per \$100 of your ending monthly balance and it is automatically added to your statement each month. Enrollment is voluntary and you are free to cancel at any time.

All benefits are based on the amount on your account balance at the time of loss and do not include any amounts added (including insurance charges) to your account after your loss. The monthly benefit payment will be calculated by multiplying your account balance on the date of loss by the minimum payment percent required by the creditor. The monthly benefit payment may not be enough to pay the required minimum monthly payment on your account.

Life and Disability benefits are based on your account balance at the time your loss occurs and are payable up to that balance or \$10,000, whichever is less. Life benefits are not payable for suicide within 6 months of the effective date. Involuntary Unemployment benefits are limited to 9 monthly benefit payments per payable claim. Benefits are not payable for total disability which is the result of normal pregnancy or childbirth (disability due to childbirth is covered in AL, FL, IA, OR, NC, NJ, PA, UT and VA); any intentionally self-inflicted injury; or a pre-existing medical condition (as defined in your certificate). In all states, you must be employed on a full-time basis for at least 30 hours per week at the time of loss to be eligible for Unemployment benefits. All coverage terminates at age 71.

This program is offered, administered and underwritten by Central States Indemnity Co. of Omaha and also underwritten by Central States Health & Life Co. of Omaha, both of Omaha, Nebraska. For more information about this insurance program or to file a claim, call toll-free 1-800-445-6500.

We may ask to see your driver's license or other identifying documents.

***SUPPLEMENT TO WCCU LOW RATE AND REWARDS PLATINUM VISA® CREDIT CARD CARDHOLDER DISCLOSURE AND AGREEMENT.**

Special Note: Introductory Annual Percentage Rate on Balance Transfers - The interest rate which will apply to balance transfers during the first fifteen (15) months following the opening of your account is a special introductory rate and is not based on the index and margin which are set forth in the WCCU Low Rate & Rewards Platinum VISA® Credit Card Cardholder Disclosure and Agreement. The special introductory ANNUAL PERCENTAGE RATE is 0.00% which corresponds to a Daily Periodic Rate of 0.000000%. Beginning in the billing cycle which next follows the expiration of the fifteen (15) month introductory rate period, the variable annual percentage rate described in your WCCU Low Rate & Rewards Platinum VISA® Credit Card Cardholder Disclosure and Agreement will apply to any existing and new transferred balances. The ANNUAL PERCENTAGE RATE which would have applied using the margin and index in effect on July 1, 2020 is 8.15% - 18.15% which corresponds to a Daily Periodic Rate of 0.0223288% - 0.0497260%.

APR for Cash Advances	Your variable APR will be 8.15% - 18.15% (as of 7/1/2020). This APR will vary with the market based on Wall Street Prime & credit worthiness.**
Penalty APR and When It Applies	Up to 21.00% . This APR may be applied to your account if you: (1) Fail to make the minimum payment by the payment due date; (2) Exceed your Cash Advance Limit on your Total Credit Limit; (3) Provide false information to us; (4) Use the Account for an illegal transaction; (5) Do not pay debts (including other accounts with us) when due; (6) Make a payment that is returned or dishonored, or; (7) Fail to keep a promise under the agreement or we believe you will not keep a promise, including making payments. Introductory APR will be revoked if any of the above occurs. How Long Will the Penalty APR Apply? How to Avoid Paying Interest on Purchases	Your due date is at least 25 days after the close of each billing cycle. Right to Change Terms: We may change APRs, fees, and other Account terms in the future based on your experience with Westerly Community Credit Union as provided under the Cardholder Agreement and applicable law.

How we will Calculate Your Balance: We use a method called "average daily balance" (including new purchases).

How we Apply Your Payments: We apply your minimum payment to balances with the lower APRs first, including promotional APRs. Amounts paid over the minimum payment will be applied in the order of highest to lowest APR balances.

Can We Increase Interest Charges And Fees? We may increase your interest charges for new transactions and your fees after the first year of the account. We may change any other terms of your account at any time. We will give you notice of any changes as required by law.

****How Do We Calculate Variable Rates:** Variable rates may change quarterly based upon the movement in the highest prime rate as published in the Wall Street Journal (the "Prime Rate") on March 15th, June 15th, September 15th and December 15th of each year (the "index dates"). We add 5.90% - 14.90% to the Prime Rate on each index date to determine the Purchases/Balance Transfers APR. A change in the APR resulting from a change in the index on any of the above index dates will be effective as of the beginning of your billing period in the May, August, November or February next following that index date. The Prime Rate as of June 15, 2020 was 3.25%.

Billing Rights: Information on your rights to dispute transactions and how to exercise those rights is provided in the Cardholder Agreement.

How Do We Calculate the Interest Charge: The Interest Charge for a billing cycle is computed by applying the applicable periodic rate to the "average daily balance" of your Purchases Account (which includes balance transfers). To get the average daily balance, we take the beginning balance of your Purchases Account each day, add any new purchases, cash advance, or balance transfers, and subtract any payments, credits, unpaid periodic interest charges and other unpaid fees and charges. This gives us the daily balance. Then we add up all the daily balances for the billing cycle and divide the total by the number of days in the billing cycle. This gives us the average daily balance. Finally, we multiply the average daily balance by the daily periodic rate (the APR divided by 365) and the number of days in the billing period. (Rev. 6/15/2020)
